How to award a streamlined 8(a) Sole Source Contract:

1. Discuss project with IPS and establish the technical and service requirements, a time frame, and a price estimate.
2. Contact your Contracting Officer (KO), Agency Small Business Specialist, or Mr. Austen Colledge, SBA Business Opportunity Specialist supporting IPS, for assistance and provide a package that includes the requirements description, estimated period of performance, applicable NAICS code, anticipated dollar value, etc. in accordance with FAR19.804-2 "Agency Offering". (IPS can help you prepare this package.)
3. The KO will send an Offering letter to the SBA requesting permission to conduct sole source negotiations with IPS. (IPS will have already alerted Mr. Colledge to expect the package in order to expedite the process.)
4. The SBA confirms eligibility of IPS and authorizes the negotiations.
5. The KO negotiates with IPS.
 - Simplified Acquisition efforts do not require a Technical proposal; the KO sends a RFQ to IPS requesting cost proposal; upon receipt, KO negotiates cost and terms with IPS.
 - If the estimate exceeds the Simplified Acquisition Threshold, the KO sends RFP to IPS requesting technical and cost proposals; upon receipt, KO negotiates cost and terms with IPS.
6. Upon completion of negotiations, KO prepares a contract award document and sends to IPS for signature.
7. Upon receipt of the executed contract from IPS, the KO signs the contract and sends a copy to the SBA.
8. Contract performance begins.

The entire acquisition process should take two weeks or less.
